

## **Club Jenna Beauty Jesse Capelli Gets Stripped**

### **Capelli Poses as Strip Las Vegas' March Cover Girl**

LAS VEGAS – February 10, 2006 – After a welcomed reception by the Las Vegas community of locals and visitors, Strip Las Vegas unveils its second issue with cover model Jesse Capelli (on stands February 15).

Capelli, who was born in Vancouver, Canada, and is currently a Club Jenna Girl graces the cover of Strip Las Vegas' follow-up issue. With a career that includes film, television and print, Capelli is the fantasy of many having appeared on such television programs as The Howard Stern Show, E! Wild On and Battledome. Her magazine credits include Hustler, Penthouse and Perfect 10, among others.

The 5' 7" beauty grew up as a tomboy who loved sports and was even a member of her school's wrestling team. Capelli attended her high school graduation in overalls just to be rebellious - a far cry from the woman whose first job in Los Angeles was working as a Perfect 10 model. Capelli takes a break each year to visit the Hawaiian islands and hopes to someday own a home there. Until then, she is committed to focusing on her career and could not be happier being a Club Jenna Girl and now a Strip Las Vegas cover model.

Strip Las Vegas is a monthly publication that covers all that is Las Vegas from ultra lounges and gentlemen's clubs, to shopping and celebrity interviews. Other features include reviews, sex advice, sports columns, political satire and features on trends, gadgets and accoutrements, and more. Showcasing adult pictorials of the women who make Las Vegas "Sin City," the magazine will circulate nationally to provide information on the valley's entertainment to the masses.
