LAS VEGAS – June 14, 2006 – Since launching earlier this year, Strip Las Vegas magazine has gained respect in the entertainment and adult industries. Thanks to the amazing pictorials, enticing features and articles that inform and entertain, Strip Las Vegas magazine is becoming a staple at stores, salons and boutiques across the valley.

Each month's issue comes with a lot of hard work by the Strip Las Vegas staff and models; however the hard work does not go unnoticed. After seeing the beautiful layouts, Penthouse magazine has joined forces with Strip Las Vegas magazine for the July cover party.

Together they have big plans for the launch when 2006 Penthouse Pet of the Year Runner Up, Cassia Riley, hosts "Dancer's Night Out" at JET Nightclub on June 19th. Along with Riley, three additional Pets will join her for an evening of debauchery, as will Strip Las Vegas Girl of the Month Kristen McCormick.

Cover girl Cassia Riley first appeared in the pages of Penthouse in April 2005, which was the very first time she posed for a magazine scantily clad. Before posing, Riley managed a tanning salon in the Los Angeles area, but her enthusiasm for her modeling career keeps her gracing the pages of magazines throughout the year.

Jamie Lynn was Strip Las Vegas' cover girl of their inaugural issue in addition to being Penthouse Pet of the Year 2006. She started her career by convincing a modeling agency to take a chance on her. It was love and lust at first sight. When Lynn is not working, she plans to enjoy her new fire engine red Porsche and kicking back on her boat.

Also joining the party is Charlie Laine, Penthouse Pet in February 2006 who also posed as Strip Las Vegas magazine's cover girl in May. In addition to Strip Las Vegas and Penthouse, she graced the covers of Hustler, Taboo and Velvet while starring in more than 67 adult films. Beginning at the early age of 18, Laine explored nude modeling and soon received a call from an agent which sky-rocketed her career in the adult film world.

Strip Las Vegas Girl of the Month Kristen McCormick is a local VIP host and one of Beacher's Babies who keeps VIPs entertained every day of the week. A Marilyn Monroe fan for years, McCormick pays homage to her idol in her red hot July pictorial.

Rounding out the bevy of beauties is October 2005 Penthouse Pet, Melissa Jacobs. Jacobs grew up in Milwaukee, Wisconsin, where she studied accounting and still manages to balance her time between modeling and accounting. When Jacobs is not studying figures she enjoys tanning on the beach, going to concerts and playing the clarinet or flute.

All of the ladies, along with the famous Strip Las Vegas girls, will host the Strip Las Vegas Magazine "Dancer's Night Out" July cover party at JET nightclub on June 19<sup>th</sup>.
