

Playboy TV and Vivid Stars Flaunt Their Stuff in June's Strip Las Vegas Magazine

June Cover Girl Monique Alexander will host cover party at Rainbow Bar & Grill May 18th with musical guest Sponge

LAS VEGAS - May 8, 2006 - Strip Las Vegas Magazine will host their June cover party at the Rainbow Bar & Grill on May 18th with a superstar line up featuring a hot musical guest and the sexiest adult entertainers in the industry.

Vivid Girl Monique Alexander, who also appears on Playboy TV's "Totally Busted," graces the cover of Strip Las Vegas' June issue. Growing up a shy girl, Alexander blossomed into an outgoing and confident adult entertainer. At 18, Alexander's interest in the adult entertainment industry was aroused when she began dancing at a local gentlemen's club in Sacramento, California. Opportunities began to arise as Alexander started modeling for men's magazines, which in turn led to her roles in erotic films.

Also a part of the Vivid family, Stefani Morgan will be in attendance and featured in an upcoming issue. Born and raised in Riverside, California Morgan began modeling at 19. This eventually led Morgan to her gig as the host of "Girls Gone Wild" and her starring role in the adult film, "Debbie Does Dallas: The Car Wash." A self-proclaimed "girly-girl" and tomboy, Morgan is a born entertainer who loves to sing, dance, and enjoys reading poetry and short stories.

For this month's party, Strip Las Vegas has included special musical guest Sponge in the festivities. The band is best known for their radio friendly hits "Plowed" and "Molly". Scott Santos, editor and chief of Strip Las Vegas Magazine along with Tim Patalan, mixed the original smash hit "Molly" for Sponge. Years later, front man Vinnie Dombroski's powerful voice continues to rock audiences across the US and is sure to add some flare to the Rainbow's rock n' roll vibe.

The June cover party, hosted by Monique and Stefani, will take place May 18th at 10 p.m. inside the Rainbow Bar & Grill. Rainbow Bar & Grill is located next to Club Paradise, across the street from the Hard Rock Hotel and Casino. For more information, please visit www.striplv.com.
