LAS VEGAS – October 12, 2006 – Earlier this year fans received a glimpse of Melissa Jacobs on the Table of Contents page of the July issue. Jacobs' photo received such attention that Scott Santos, publisher of Strip Las Vegas magazine felt inspired to put her on the November cover.

“When you get a response like we received based off of one photo hidden behind the table of contents, you know you have stumbled upon a great beauty,” said Santos. “Melissa's personality translates very well onto the pages of her pictorial – she just radiates a unique energy.”

The fast-paced life of a model and Penthouse Pet (Jacobs was Penthouse Pet of the Month in October 2005) has not changed Melissa Jacobs – she remains the down to earth, outgoing woman who was born and raised in Wisconsin and remains a resident to this day.

Jacobs enjoys modeling as it allows her to leave her tomboy antics behind and explore her girly, passionate side with shoots featuring sexy lingerie and designer clothes, as well as the bare, natural beauty shots. She began working when she was 14 years old and has paid her dues hitting every job duty from busgirl and waitress to receptionist and accountant. Three years ago Jacobs, urged by a photographer shooting her portfolio, submitted photos to Penthouse via [www.penthouse.com](http://www.penthouse.com). Just one month later she was test shooting in Los Angeles and before you knew it, she received the Pet of the Month honor.

Jacobs continued to spend her time split between modeling and accounting, until December of 2005 when she began modeling full-time. She now finds herself as a front-runner to be Penthouse Pet of the Year 2007. Her free time is spent traveling to new places, meeting new people and attending some of the most fabulous events in the world – that is, when she is not spending time at home with her two cats Oreo and Figaro.

Melissa Jacobs and Vivian Chase, local Strip Las Vegas Girl of the Month, are available for interviews October 25<sup>th</sup>. Join them, along with December cover girl Brea Bennett and all the Strip Las Vegas hotties for the Cover Girls year-end blowout November 17<sup>th</sup> at JET. Past cover girls Charlie Laine, Cassia Riley and Jamie Lynn will also be in attendance.
