

STRIP LAS VEGAS

***Strip Las Vegas* magazine is pleased to announce the incredibly unique Masuimi Max as their September 2007 cover girl.**

LAS VEGAS – August, 15 – Since launching two years ago, *Strip Las Vegas* magazine has gained respect internationally as one of the top sophisticates in the market. Thanks to the amazing photography, smart features, in-depth interviews, and articles that inform and titillate, *Strip Las Vegas* magazine has broken new ground in what an adult magazine can be.

“We’re very proud to have Masuimi grace the cover of our magazine. I actually used some of her pictures in mockup versions of the magazine before we even published,” says Publisher/Photographer, Scott Philip Santos.

With more than 36 magazine covers under her belt, this month’s cover girl, Masuimi Max, made her way into modeling and films, starting at the young age of eighteen, when she was discovered dancing burlesque numbers at *Club Paradise*. Masuimi has starred in feature films, such as “Inland Empire” and “State of the Union”, and has also performed in the hit television series, “Fear Factor.” Raised in Las Vegas, Masuimi now calls Los Angeles home.

Also highlighted in this month’s issue of *Strip Las Vegas*, 2006 *Penthouse Pet of the Year*, Jamie Lynn. Being featured in adult magazines like *Penthouse* and *Strip Las Vegas*, Lynn loves to turn on the sex in front of the lens. Jamie was the cover girl on the inaugural issue of *Strip Las Vegas*. September’s issue also features Kelle Marie and Cassie Young, in a cowgirl feature, shot at a local Vegas ranch.

Strip Las Vegas is a monthly publication that covers everything in Las Vegas—from shows and gentlemen’s clubs to shopping and celebrity interviews. Other features include reviews, sex advice, sports columns, political satire, and features on gadgets and accoutrements. Showcasing adult pictorials of the women who make Las Vegas so sexy, the magazine circulates internationally, providing information on Las Vegas entertainment to the masses. For more information on the publication, please visit www.STRIPLV.com.
