Strip Las Vegas Benefit For AIM's 'Life After Porn' Scholarship Runway Gentlemen's Club In Las Vegas, NV

LAS VEGAS – September 19, 2007 - [Strip Las Vegas](#) and [Adult Industry Medical Healthcare Foundation](#) are working together to benefit AIM's 'Life After Porn and Sex Work Scholarship Fund'. The two companies are having their inaugural event together at Runway Gentlemen's Club on September 19, 2007 at 9pm.

'Rarely do we see such dedication from the community, and AIM honors and appreciates Strip Las Vegas magazine,' says its founder and former adult star, Dr. Sharon Mitchell.

'The adult industry has been so supportive of our efforts since the beginning, and I am honored to work with Dr. Mitchell and her organization, which allows us the chance to give back,' stated Scott Santos, Owner and Publisher of Strip Las Vegas magazine.

The event, entitled 'Stripper Karaoke', will be hosted by infamous adult film star, [Ron Jeremy \(www.pornstars-ronjeremy.com\)](#), and the festivities themselves will be run by the Las Vegas giant of Karaoke, 2-Tons. Dancers from the club will have the chance to compete for the big cash prize of \$750, and can either compete as a solo performance or team up with a club patron for the prize. There will be cash prizes for 2nd place and gift bags worth over \$1,000 for the top three winners. The September 19th event will mark the first of the 12 monthly competitions.

[Strip Las Vegas](#) is a nationally distributed monthly publication that covers everything in Las Vegas from Ultra Lounges and Gentlemen's Clubs to shopping and celebrity interviews. Showcasing adult pictorials of the women who make Las Vegas so hot, Strip Las Vegas includes reviews, sex advice, sports columns, political satire and features on trends, gadgets, accoutrements and more. For more information on the publication, please visit: [www.STRIPLV.com](#). Additionally, Strip Las Vegas has added two new Web sites to their growing adult entertainment empire, including the pay sites: [www.STRIPLVGIRLS.com](#), featuring additional photos of the monthly cover girls and behind-the-scenes shots, and [www.STRIPLVTV.com](#), containing video of the inviting girls of Strip Las Vegas.

The [Adult Industry Medical Healthcare Foundation](#) was formed in 1998, to care for the physical and emotional needs of the Adult Industry. AIM specializes in early detection testing for HIV, STDs, General Health Care, GYN Services, and online testing with locations through out the U.S. in every city and state. Through our monitoring programs, AIM has put the STD statistics 80% below that of the general population. Are you positive you're negative? [AIM-Med.org](#) and [SxCheck.com](#) are available for the general public.
