STRIPLVTV Launch at the AEE was a Huge Success!!

LAS VEGAS—*Strip Las Vegas* magazine launched its television division *STRIPLVTV* last week at the 2008 AVN Adult Entertainment Expo at the Sands Expo Center.

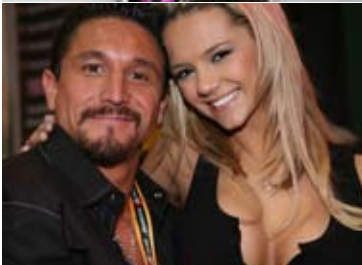

The *Strip Las Vegas* cameras caught the hot action of AVN and broadcast continually each day of the Expo from 11 am to 4:30pm. With exciting interviews from top porn celebrities Tera Patrick, Tommy Gunn, Sasha Grey, Ashlynn Brooke, Brea Bennett, Randy West, Jana Jordon, Belladonna, Nina Hartley and directors John Stagliano and Chi Chi LaRue, the five hours of airtime each day literally flew by. Thousands of viewers logged onto *STRIPLVTV's* Web site to see their favorite stars. In addition to the many adult companies who welcomed the opportunity to promote their products on the livecast, *STRIPLV* cover girls Andrea Lowell, Jamie Lynn and Zoe Britton, along with the *STRIPLV* hotties, did super interviews with the many starbrities who stopped by, including the comic genius Carrot Top, Gerry McCambridge (The Mentalist), Dennis Hof (owner of the Bunny Ranch) and Michael Greco (the well-known photographer), to name a few.

"On the very first day, the excitement was high as Tera Patrick arrived to launch our broadcast," said *STRIPLV* co-owner Brittany Santos. "So much so, that too many viewers logged on simultaneously and they crashed our site. We immediately had to upgrade our connection and ask Tera to come back to shoot again. Since then *STRIPLVTV* is being seen by some 15,000 viewers every day." The Internet response was overwhelming. "When we weren't interviewing the stars," Brittany continued, "we panned the camera to the crowded aisles, giving our viewers, who weren't able to attend the show, a taste of the crowded exhilaration that is always prevalent at AVN."
